There was no new feature exhibited in the Money market to-day, the demand for money being rather heavier and loans more difficult to negotiate. The Brokers are buying Certificates of Indebtedness at 97c and Government Vouchers at 12c to 15c discount. Gold to-day declined about 6c owing to the advances received from New York.

Below we give the quotations of gold and uncurrent money up to 2 1/2 o'clock to-day:

TO OUR TETIE.

BY SARAH T. BOLTON REEKS.

[An exquisite poem to a pet child—lost.]

Tetie, in that far country where thou art,

Then cannot hear thy mother's ceaseless

moan:

Then cannot know the yearning of her heart,

Nor see how dearest her path has grown;

Yet better thus—I would not grieve thee now,

Nor dare to murmur at our Father's will,

But come and lay thy head on my breast,

And whisper, "Mother, Tetie loves thee still,"

Come, darling, come.

Together, long ago, we went to live,

And young mother and a fair-haired child;

I taught thee to walk, to play, to pray,

And to sweeten thy path with the words of God;

And so we went on to the new home,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

"Bully for you!" said I. "Come up and

drink." Miggs made a face again as I poured

out his glass, but he had to drink it. After

he had got decidedly unsteady on his

legs.

"Say, Miggs—hic—hic—hic," said I, "if

you'll list for a Major-General, I'll list for a

hic—hic—hic private. What say?"

"Do it!" said Miggs, and he slumped

in earnest. "Do it!" said Miggs, and he

right across my face. Come over!

"Let's drink first!" said I; and that one

did the business. Miggs was as drunk

as a fool. I took him over to the recruit-

ing office, and enlisted him in Uncle

Abram's army.

"I can testify that there is one mighty

man wearing the army blue, and

that man is John Waggoner's recruit."

Come, darling, come.

Together, long ago, we went to live,

And young mother and a fair-haired child;

I taught thee to walk, to play, to pray,

And to sweeten thy path with the words of God;

And so we went on to the new home,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,

And I, thy mother, was thy first teacher,
